**TO: Parents of students using Launceston to Exeter (via Legana) and Rosevears bus services**

### **CHANGES TO SCHOOL BUS SERVICES IN 2019**

Following consultation, including an earlier letter you should have received about proposed changes to the Legana and Rosevears school services, the Department of State Growth has decided to go ahead with the proposed changes to your school bus services. This means there will now be one new service operating from Launceston to Exeter (via Legana and Rosevears Drive) in place of the two existing services. Note that there is also a service that operates from Legana to Exeter via the West Tamar Highway, which will remain unchanged.

New service	Bus Operator	Contact Details
Legana to Exeter (via Rosevears Drive)	To be determined	To be advised

Please find attached to this letter morning and afternoon timetables for these new bus services. As previously proposed, this change will occur at the start of the 2019 school year.

If this is the first time you have heard of these changes, or they cause you concern, please feel free to contact me by phone on 6166 3145 or via email at [thomas.byrne@stategrowth.tas.gov.au](mailto:thomas.byrne@stategrowth.tas.gov.au).

Once the operator of this service has been determined, families and schools will be advised. To be clear, irrespective of the outcome of this process, the service will operate in accordance with the attached timetable from the start of the 2019 school year.

Yours sincerely

Thomas Byrne
