CHANGES TO SCHOOL BUS SERVICES IN 2019

Following consultation, including an earlier letter you should have received about proposed changes to the Notley Hills and Bridgenorth school services, the Department of State Growth has decided to go ahead with the proposed changes to your school bus services. This means there will now be two new services operating in Notley Hills and Bridgenorth, running to Exeter and Riverside, in place of the three existing services.

New service	Bus Operator	Contact Details
Notley Hills to Exeter	McDermott P & J Pty Ltd	6330 3717
Ecclestone Road & Bridgenorth to Riverside	McDermott P & J Pty Ltd	As above

Please find attached to this letter morning and afternoon timetables for these new bus services. As previously proposed, this change will occur at the start of the 2019 school year. Please also note that, as previously advised, these two bus services will interchange at Stokes Lane, which will allow students at all stops to access both Exeter and Riverside schools.

If this is the first time you have heard of these changes, or they cause you concern, please feel free to contact me by phone on 6166 3145 or via email at thomas.byrne@stategrowth.tas.gov.au.

If you just want to confirm any timetable or stop information, please contact the relevant bus operator on the number provided in the table above.

Yours sincerely
