CHANGES TO SCHOOL BUS SERVICES IN 2019

Following consultation, including an earlier letter you should have received about proposed changes to the Rowella and Kayena school services, the Department of State Growth has decided to go ahead with the proposed changes to your school bus services. This means there will now be one new service operating in Rowella and Kayena in place of the two existing services.

New service	Bus Operator	Contact Details
Rowella to Exeter	Scott DG & PK	6394 7343 (David Scott)

Please find attached to this letter morning and afternoon timetables for these new bus services. As previously proposed, this change will occur at the start of the 2019 school year.

If this is the first time you have heard of these changes, or they cause you concern, please feel free to contact me by phone on 6166 3145 or via email at thomas.byrne@stategrowth.tas.gov.au.

If you just want to confirm any timetable or stop information, please contact the relevant bus operator on the number provided in the table above.

Yours sincerely
